## ***IMPORTANT***

July 17, 2013

Dear Consignor:

Dr. Forshey (State Veterinarian for OH Dept. of Agriculture Division of Animal Health) would like the consigned out of state horses under a year of age to have health certificates (Certificate of Veterinary Inspection) for the Blooded Horse Sales held at the Delaware County Fairgrounds in OH. All out of state horses a year of age or older should have a negative Coggins AND an owner shipper statement or health certificate.

Someone from ODAD will be in the office checking for these papers. PLEASE be sure you have a **coggins and health certificate** if your horses are being transported over state lines. The physical address for the sale is 236 Pennsylvania Ave., Delaware, OH 43015 (your vet will need this info).

Sincerely,

Billie Haws
