OWNER'S STATEMENT

This promising 3 year old was purchased as a yearling by current owner in August of 2019 and placed in training for 4 months. The 88 owner/trainer began dealing with severe health issues so the yearling was shutdown because of those and the inability to pay training bills. NO FAULT of this nice gelding. His 2 year old payments were made for Ohio in hopes of being able to race him late in 2020. Health problems continued so he never got his chance as a 2 year old.

Schoolbox is only being offered for sale because of the ongoing health issues of the now 89 year old owner! He's a nice prospect that has not been injured or sick, well mannered, and eligible to the great state of OH racing program at all levels!!! Started back in November behind starting gate, being lead 5 miles a day until sale time. Help yourself to this nice, green, 3 year old being sold without reserve.

Mare with lots of ability. Record of 158:2 as a two year old. Stopped to give her a chance to grow then Covid19 happened and at the time, owners were in no rush to bring her back. Recently qualified at the Meadows (1/05/21) but made a break her first start (1/13/21) Trainer Driver does not get along with her so I decided to give her a new home. She has a lot of ability and will make a solid race mare for someone with a little patience . Or she will make a great broodmare. She is good mannered around the barn and on the track. She is sound and ready to re-qualify.

OWNER'S STATEMENT

Flames Of Fire may be one of the best horses in this sale. She has made a check in 90% of her races. Don't let her size fool you. She has plenty of race days left in her. Only 22,800 lifetime earnings.. We're selling due to PARTNER-SHIP DISSOLUTION. Flames is low maintenance and simply rigged. She has had her winter break, started back jogging in January and should be ready to qualify shortly after the sale date. OUR LOSS WILL BE SOMEBODY'S ELSE GAIN.

This mare was very green when we got her and is just starting to figure it out. She can leave the gate or race from off the pace. She fits NW 4 and only has 21k made life at time of consignment. She will fit lots of late closers this spring but has picked up 11k last 5 starts, so lots of opportunity here for a mare that is sharp right now.

OWNER'S STATEMENT

3YO Uncle Peter Ohio bred filly that has a great pedigree. Was sore last year so we turned her out and she has been back jogging for the past 30 days. Owners want stake horses and she is probably not going to be top stake material so have decided to sell. She is a good size filly, and stands about 16 hands. When her racing career is done, she will make a great broodmare. First dam has produced Costa Rica, a \$1.4M winner, and Scream And Shout, a \$300K winner.

Headbanger is a pretty consistent check getter. Averaging almost \$1,500 per start lifetime with only 4 wins. Loves passing horses as he's a last quarter specialist when sharp! Great looking horse. Needs a tad wider bike as to the reason for the recent break. *Bled on start 1/13 and should be put on Lasix for the new connections.

WARNING TO PURCHASERS IMPORTANT!

Where Consignors report Futurity engagements of their youngsters a memorandum of these engagements is printed under the pedigree of each animal.

The Blooded Horse Sales Company is NOT responsible for any errors, misstatements or omissions in engagements so published in this catalog. The Consignor is the responsible party for all such statements.

There is no liability assumed by purchaser for any future payment in Futurity events. Payments may be made at purchaser's option, but must be made when due to keep the entry eligible. All payments when made are forfeits.

This Company does not agree to furnish Registration Certificates, unless same are furnished by the consignor of the animal sold.

When horses are registered, but no Certificate accompanied entry, the necessary transfers to obtain certificate will be obtained if possible without cost to the purchaser.

Where animals are eligible to the Register under the rules of the Trotting Register Association at time of sale, but are not registered, this Company will make every effort to obtain the necessary papers to register the animal, but does not agree to do so.

As this Company cannot tell the cost of obtaining certificates, due to the fact that it cannot tell how many transfers will be necessary, this Company will not attempt to obtain Registration Certificates but will send the necessary papers direct to the buyer, if it succeeds in obtaining same.

It often requires considerable time to obtain the necessary transfers, and is often impossible, due to lack of attention to correspondence, the many hands through which horses have passed and other causes, but every reasonable effort will be made to promptly obtain Certificates requested by purchasers.

WIN-RACES AND STATEMENTS AS TO ELIGIBILITY

This Company does not and will not accept any responsibility as to the eligibility of any horse. Any statements regarding same is made by Consignor, who alone is the responsible party.
