Graded stakes and graded restricted races

Graded races

Starting with races in 2021 and going forward, major open stakes races are awarded a grade, as judged by a group of industry stakeholders. The purpose of the grades is to provide a reliable guide to the relative quality of Standardbreds by identifying the U.S. and Canadian races that consistently attract the highest quality competition. The minimum purse to be required for grading is \$75,000 for stakes and \$100,000 for invitationals.

The grades for open stakes are indicated in the pedigrees with these notations: **[G1]**, **[G2]**, and **[G3]**.

Graded state-restricted races

State- or province-restricted races, which exclude horses based upon stallion residency or mare foaling location, were also graded if they met minimum purse requirements, for the purpose of evaluating the quality of the horses competing. These races have minimum requirements of \$75,000 to be graded.

The grades for restricted stakes are indicated in the pedigrees with these notations **[R1]**, **[R2]**, and **[R3]**.

OWNER'S STATEMENT

This is a gorgeous, dark bay filly from Ready for Moni's first crop. She's all trot and is quiet and well-mannered in the barn and on the track. Finished second in her first lifetime start in an OCRA stake at the Circleville, Ohio, fairgrounds where I train. Was then turned out for the week while the fair was in session. When she came back in, she was a little off in her right hind. Had the leg scanned after a few days when it didn't improve. The scan showed no actual hole/tear, but there was considerable inflammation in her high suspensory. Playing it safe, I immediately shut her down and she spent 30 days on stall rest. She resumed light jogging August 1. She is a nice filly, but I really don't have the time or stall space for her as we head into the fall. If you have any questions or would like to see the scans, please text me at 614-738-6221.

WARNING TO PURCHASERS IMPORTANT!

Where Consignors report Futurity engagements of their youngsters a memorandum of these engagements is printed under the pedigree of each animal.

The Blooded Horse Sales Company is NOT responsible for any errors, misstatements or omissions in engagements so published in this catalog. The Consignor is the responsible party for all such statements.

There is no liability assumed by purchaser for any future payment in Futurity events. Payments may be made at purchaser's option, but must be made when due to keep the entry eligible. All payments when made are forfeits.

This Company does not agree to furnish Registration Certificates, unless same are furnished by the consignor of the animal sold.

When horses are registered, but no Certificate accompanied entry, the necessary transfers to obtain certificate will be obtained if possible without cost to the purchaser.

Where animals are eligible to the Register under the rules of the Trotting Register Association at time of sale, but are not registered, this Company will make every effort to obtain the necessary papers to register the animal, but does not agree to do so.

As this Company cannot tell the cost of obtaining certificates, due to the fact that it cannot tell how many transfers will be necessary, this Company will not attempt to obtain Registration Certificates but will send the necessary papers direct to the buyer, if it succeeds in obtaining same.

It often requires considerable time to obtain the necessary transfers, and is often impossible, due to lack of attention to correspondence, the many hands through which horses have passed and other causes, but every reasonable effort will be made to promptly obtain Certificates requested by purchasers.

WIN-RACES AND STATEMENTS AS TO ELIGIBILITY

This Company does not and will not accept any responsibility as to the eligibility of any horse. Any statements regarding same is made by Consignor, who alone is the responsible party.

THE BLOODED HORSE SALES CO.

The Blooded Horse Sales Company is authorized to decline any bid submitted by a person who the Blooded Horse Sales Company believes may be intoxicated or disorderly parties, or by those who have defaulted on former purchases, or by any persons who, in their judgment, are not reliable or responsible parties. And in case any purchaser fails to pay for and receive an animal struck down to him, the Blooded Horse Sales Company is authorized to accept the same amount from another person, or to accept the next highest bid, or they may if in their judgment it be in the best interest of all concerned, put the animal up for the second time. But in cases where the animal is not paid for fully in cash, the Consignor agrees to receive it back as unsold without attaching any liability to the Blooded Horse Sales Company, including without limitation non-payment due to the stoppage of payment of a check or draft or any action of that nature.

CATALOG AND ANNOUNCEMENTS – The Sale Company is not responsible for any statements made in this catalog or from the auction stand concerning horses listed herein for sale, or for any warranties expressed or implied on their behalf. Horses listed in this catalog are sold with their engagements, pregnancy status, condition and/or produce record as listed herein or announced from the auction stand at time of sale, such information being as represented by owner. **ANNOUNCEMENTS FROM THE AUCTION STAND TAKE PRECEDENCE OVER CATALOG.** In case of misstatement, error or omission, the purchaser shall have redress only against the owner. The Sale Company shall endeavor to have correctly stated all catalog information; however, the owner is ultimately responsible for the correction of any errors or omissions prior to the offering of the horse for sale in the ring.

WARRANTIES, SOUNDNESS – Unless otherwise expressly announced at time of sale, there is no guarantee of any kind as to the soundness or condition or other quality of any horse sold in this sale except that horses which are unsound in eyes or are “cribbers” must be so announced. In addition, any horse of racing age which is nerved, any mare which is spayed or any horse which is on the stewards, starters or veterinarians list must be so announced at sale time. Any animal sold in this sale which is described at time of sale as a colt and does not at such time have two testes descended to the scrotum, or is described at time of sale as a gelding and is at such time a colt or ridgeling shall be subject to return to the Consignor as provided for in the condition below, except that the warranty with respect to descended testes does not apply to any horse sold prior to July 1 of his yearling year.

RIGHTS TO RETURN – Any horse sold in this sale whose condition must be announced at sale time as provided in the condition above, and is not so announced, shall be subject to return to the Consignor with refund of purchase price provided that immediately on learning of such defect the buyer forthwith notifies the Blooded Horse Sales Company in writing with supporting veterinary certificates as to the defect attached, such notification to be received by the Blooded Horse Sales Company within seven (7) days of the date the animal in question was sold. In the case of yearlings only the time limitation for filing notice of rejection is 48 hours from the start of the session in which the animal in question was sold. In the event of a question or dispute arising under the terms of this Sale condition, the Blooded Horse Sales Company reserves the right to appoint an impartial veterinarian to examine the animal in question and his decision shall be binding on all parties concerned.

BROODMARE – Any purchaser of a broodmare sold in this sale may have her examined after the fall of the hammer, and prior to removal from the sales premises by a veterinarian acceptable to the Sale Company. Any broodmare so examined whose pregnancy status or breeding status is found not to be as represented at the time of sale may be returned at buyer's discretion to Consignor as unsold. In any event, the buyer's decision to accept or reject any such broodmare whose pregnancy status or breeding status is found not to be as represented, must be communicated to the Sale Company before the broodmare is removed from sales premises. In the case of unnamed weanlings or yearlings, the Consignor is required to furnish a mating certificate and a signed transfer.
